

## *The Cato Family National Organization* **Scholarship Fund**

**Cato Family Scholarships are presented annually at the family reunion. These scholarships offer financial assistance and recognize scholarly achievement. The recipient is not required to be present.**

***The Cato Family Scholarship*** - This scholarship offers assistance to high school graduates upon proof of enrollment in an accredited college or university, and to students presently enrolled in college/university. This scholarship offers financial assistance and recognizes scholarly achievement of a family member who has decided to return and enrolled in an accredited college or university.

Amount of Scholarship - \$250.00

Each applicant must meet the following criteria:

1. Be a Cato descent through birth, adoption or marriage.
2. Must have attended a family reunion.
3. Have a minimum GPA of 2.5.
4. Submit a scholarship application.
5. Submit a certified high school and/or college transcript and proof of college enrollment.
6. Submit a 300-word essay of your goals.
7. List activities and community services that you participated in during the last four years.
8. List honors and awards that you received during the last four years.

**In order for the committee to complete the application review process, your completed scholarship application must be submitted by the Family Reunion registration deadline date.**

**Note: Previous applicants may reapply!**
